It was Friday and it was an important day because it was the blessing of our Sacred Garden and it was also Harmony Day. Before we went it was cloudy and thundery and I thought it was going to rain but it didn’t. Later on we went to the Sacred Garden in the car park in front of the Church. The whole school was there including visitors, Father Albert, Father Martin and parents. We watched the ceremony and a man called Dean. After that an Aboriginal elder spoke. Next we sang our School song with the choir. Eventually the smoking ceremony was finished. I had fun and it was an interesting morning.
